EXAMINER'S AMENDMENT

Response to Amendment

1. This office action is in response to applicant's amendment filed, 09 October 2007, of application filed, with the above serial number, on 22 June 2000 in which claims 1 and 4 have been amended and claim 5 has been cancelled. Claims 1, 4, 7-12, and 32-36 are therefore pending in the application.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rupak Nag on 21 December 2007.

The application has been amended as follows:

~~In lines 1-9:~~ In claim 1, please substitute lines 1 through 9 with the following

A system including a processor for executing instructions in memory for a software architecture enabling a user to create a Web site over the Internet, the software architecture comprising:

a plurality of applications including a first model object relating to a Web site building application, the first model object capable of managing tasks and of being a data manipulation logic component and of being an interface between other model objects and the Web site building application having an extensible framework and containing
